

General Terms and Conditions

Feldenkrais individual sessions

Fees for individual treatments are payable after each session, regardless of whether the fees are in part or fully refundable by a private health insurance scheme. In the event of cancellation later than 24 hours before an agreed appointment, the fees are due in full.

Courses/workshops (Feldenkrais / TaKeTiNa)

Participation in one of the courses is always at your own risk. The course is not a substitute for possibly necessary medical treatment or psychotherapy.

Registrations must be made in written form (including email) and are not confirmed until the course fees have been paid.

After registration and payment of the fees, cancellation is possible if it is received in writing:

- up to 9 weeks before the course starts (for courses of more than 3 days)
- up to 2 weeks before the course starts (for courses of 1 - 3 days)

The course fee will be refunded, less a cancellation/processing fee of:

- 50 euros for courses longer than 3 days
- 20 euros for courses of 1 - 3 days

In the event of a later cancellation the full course fees are due, unless another participant is found for the course. In the event that a course has to be cancelled for a valid reason, e.g. there are not enough participants, or the course leader is ill, then all course fees paid to date will be refunded in full. No further claims can be made in this case.
